3-5089-01 AS Diablock ASD-0001

Order No.	3-5089-01
Model No.	ASD-0001
JAN Code	4571327980222
	JPY: 5,500
	USD: 36.72
Standard price	
	Exchange rate 1USD= 149.78JPY
	Valid price in Japan
Quantity	1piece

Features

- The diamond abrasive particles make this tool ideal for machine polishing of carbide, ceramics and die materials.
- It boasts excellent cutting and polishing performance.
- Its hard structure and high viscosity reduce material scattering during buff or brush coating work, which makes this tool easy to use.

Spec

- Type number: ASD-0001 (Approximate particle size (μm): 0 to 1)
- Size (mm): 30 x 27 x 20
- Material: A man-made diamond oil and fats
- capacity: 20 g

▶ Package size : 40×40×40 mm 30 g
