

Blade tip materials  
Point of a sword materials

carbide tip

ø14 will be 4 mm

effective cutting power

5mm

Size

φ 14 - 150

Regrinding

Work material

Steel  
Plate

Stainless  
Steel

Cast Iron

Aluminum

Brass /  
Copper

FRP

Synthetic  
resin

Wood /  
Plywood

Compatible machine types  
Acceptable model

Electric  
drill

Drilling  
machine

Mode

Rotation

In case the electric drill is used at a degree greater than ø40, we will recommend using it at a low speed.
