

# SILICONE SPONGE Sheet/Tube/String square

シリコンスポンジ

## Silicone Sponge Sheet

■ Sheet

Silicone sponge with double-sided tape.

Heat resistance 200°C

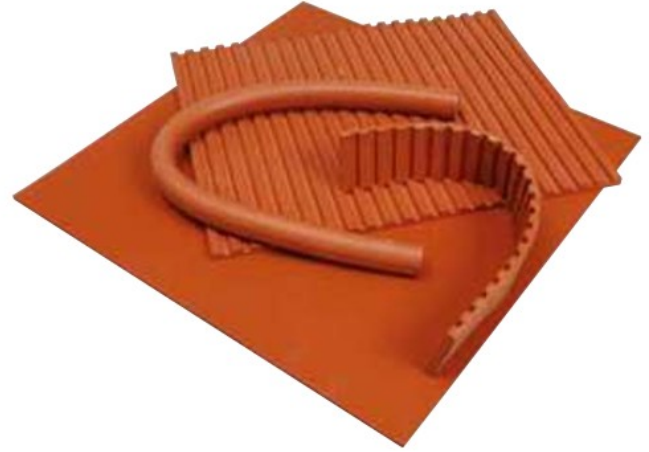

RoHS Compliance

- Can be cut in any shape.
- Excellent in heat insulation and heat retention.
- Heat resistance from -60°C to 200°C.

### Selection Standard

| Product code  | Thickness (mm) | Hardness (°) | Thermal conductivity (W/m·K) | Size (mm×mm) |
|---------------|----------------|--------------|------------------------------|--------------|
| SS1-1000-1000 | 1              | 25           | $8.3 \times 10^{-2}$         | 1000x1000    |
| SS2-500-500   | 2              | 35           | $7.4 \times 10^{-2}$         | 500x 500     |
| SS2-500-1000  |                |              |                              | 500x1000     |
| SS2-1000-1000 |                |              |                              | 1000x1000    |
| SS2-1000-2000 |                |              |                              | 1000x2000    |
| SS3-500-500   |                |              |                              | 500x 500     |
| SS3-500-1000  | 500x1000       |              |                              |              |
| SS3-1000-1000 | 1000x1000      |              |                              |              |
| SS3-1000-2000 | 1000x2000      |              |                              |              |
| SS5-500-500   | 5              |              |                              | 500x 500     |
| SS5-500-1000  |                |              |                              | 500x1000     |
| SS5-1000-1000 |                | 1000x1000    |                              |              |
| SS5-1000-2000 |                | 1000x2000    |                              |              |
| SS8-500-500   | 8              | 500x 500     |                              |              |
| SS10-500-500  | 10             | 500x 500     |                              |              |
| SS15-500-500  | 15             | 500x 500     |                              |              |
| SS20-500-500  | 20             | 15           | $5.0 \times 10^{-2}$         | 500x 500     |

Heat retention

Heat insulator

Antifreezing

Heat-resistant cushioning

Purpose

- Various gaskets and packings
- Electronic equipment, electrical component, and automobile parts
- Piping line

- ◆ This product is developed and manufactured for general industrial use.
- ◆ If the product is used for medical, food, or other special purposes, check the safety of the product by your company before use.
