

■ **Features:** Space-saving compact type. Height (H) and L dimensions are more compact than the conventional Split Type. (Refer to Size Comparison Table below.)

| Type           |                 | Material   | Surface Treatment          |
|----------------|-----------------|------------|----------------------------|
| W/o Dowel Hole | With Dowel Hole |            |                            |
| SHMPB          | SHMPBK          | S45C       | Black Oxide                |
| SHMPM          | SHMPMK          | Equivalent | Electroless Nickel Plating |
| SHMPS          | SHMPSK          | SUS304     | -                          |

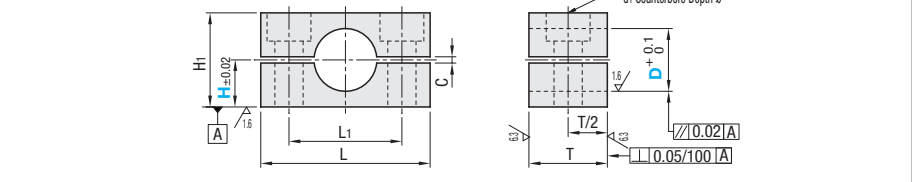

■ **Features**  
• Dowel Hole Type enables easy positioning and assembly.
